National Proficiency Badges

Your Ambassador National Proficiency badges are focused, unique, sophisticated—and, most important, useful! Whether you bring your network together for survival camping or get versed in public policy so you know just how elected officials help change the world, your badge skills will come in handy. Plus, they're full of opportunities for plain old fun something that can feel hard to make time for when you're busy with the last years of high school.

As an Ambassador, you might think of this chart both as your résumé and a fun souvenir of your adventures in Girl Scouting. On the back you'll find your Ambassador Awards Log, where you can review every award you can earn in your Ambassador years.

You can also use this chart to remind you what younger Girl Scouts are doing in their badges and to decide how you might want to mentor them as they earn awards. It's a big circle of skill-building and sisterhood: one way every Girl Scout builds the courage, confidence, and character to make the world a better place.

Girl Scout National Proficiency Badges

Girl Scout badges are a great way for a girl to explore her interests and learn new skills—and to remember every adventure and show the world what she's accomplished.

What is she passionate about? Does she dream of making her own movie, cooking food from a different country, or going geocaching? Sleeping under the stars, writing a book of short stories, or planting a garden?

Or maybe she wants to invent something new, paint a masterpiece, or learn about endangered wildlife. Star in a play, design a website, or go kayaking. Even turn her bedroom into a jungle, run a successful business, or go on an amazing trip. The sky's the limit!
